

**Amended Section 4 of the Plan for an Enhanced Emergency
Telephone System for Hardy County, West Virginia.**

**Section 4 – Emergency Service Provider; Resolution of Disputes; Handling of
Misdirected Calls; Publicly Accessible Telephone Numbers;
Enhanced 9-1-1 Communications Advisory Board.**

(a.) Every emergency service provider that provides emergency service within the territory of the county will be required to participate in the enhanced emergency telephone system.

(b.) The emergency service providers referred to in subsection (a.), above shall be the following:

Moorefield Volunteer Fire Company
Mathias Baker Volunteer Fire and Rescue Company
Capon Valley Volunteer Fire Company
Fraleys' Ambulance Service
Wardensville Volunteer Rescue Squad
Town of Moorefield Police Department
Town of Wardensville Police Department
Hardy County Sheriff's Office
~~Mathias Baker Volunteer Rescue Squad~~
Hardy County Emergency Ambulance Authority
West Virginia State Police
West Virginia Division of Natural Resources

(c.) In the event of a dispute between the county and one or more of the emergency service providers, such dispute, upon application to the Public Service Commission of West Virginia by any party to the dispute, may be resolved by order of the Public Service Commission of West Virginia.

(d.) In the event a request for emergency services call is misdirected, the receiving organization, at the earliest possible time, shall notify the county answering point of the misdirected call and assist, if possible, in determining the correct call routing. County answering point personnel may request the responding emergency service provider to continue to the incident until response information is confirmed from the appropriate emergency service provider for the misdirected call.

(e.) Each emergency service provider participating in the enhanced emergency telephone system shall maintain a publicly accessible 7-digit telephone number, which shall be appropriately 7 listed in appropriate telephone directories, in addition to any telephone numbers provided in the system.

- (f.) Each emergency service provider participating in the enhanced telephone system shall utilize the National Incident Management System on all incidents.
- (g.) Each emergency service provider shall maintain radio communication equipment, according to manufacturer's recommendations, capable of receiving and/ or transmitting radio communication signals to the communication center as defined under the operating policies and procedures of the enhanced 9-1-1 telephone system.
- (h.) The county will establish city style addressing, conforming to the standards and recommendations published by the National Emergency Numbers Association and the West Virginia Enhanced 9-1-1 Council, prior to the date of operation of the enhanced 9-1-1 telephone system. The county will maintain the consistent address system for all structures located within the legal territory of the county. New addresses shall be assigned upon approval of building permit and shall be part of the permit process in all municipal and county areas. The county will notify the enhanced 9-1-1 telephone system director of all address concerns and all address assignments within twenty-four hours of initiation.
- (i.) Below is listed the membership of the Hardy County Enhanced 911 Advisory Board as established by the Hardy County Commission on the third day of November, 1998 by order.

Representative - Capon Valley Volunteer Fire Company
 Representative - Moorefield Police Department
 Representative - Wardensville Volunteer Rescue Squad

The initial terms of all Advisory Board Members shall have begun on the third day of November 1998.

Amendments in Section 4 of the Plan for an Enhanced Emergency Telephone System for Hardy County, West Virginia were ordered at a commission meeting dated 4 Day of APRIL, 2017.

THE HARDY COUNTY COMMISSION

Harold K. Michael, President

Voting Yea

William E. Keplinger, Jr. Commissioner

Voting Yea

David S. Fansler, Commissioner

Voting Yea

The purpose for this amendment is to add a new emergency services provider operating in Hardy County, West Virginia territory to the Enhanced Emergency Telephone System.

**Amendment to Section 4 of the Hardy
County Enhanced 911
County Ordinance.**

The purpose for amending section 4 of the Hardy County Enhanced 911 County Ordinance is to add a new emergency service provider unit, Hardy County Emergency Ambulance Authority, operating in the Hardy County, West Virginia territory. That a copy of the proposed amendment can be examined by the public at the Office of the Hardy County Clerk, Hardy County Courthouse, 204 Washington Street, Moorefield, West Virginia during normal business hours. That a public meeting be scheduled to be held at the Hardy County Courthouse Room 101 on April 4, 2017 at 10:00 am in order to receive comments from other public officials and interested persons. That at least thirty days but not more than 60 days before such meeting, an advertisement be placed by

Harold K. Michael, President of the Hardy County Commission in the Moorefield Examiner newspaper of general circulation in such county, notifying the public of the date, time, place, and purpose of such meeting and the location at which a copy of such proposal may be examined.
